

DIVE INTO

the Ultrasonic Innovation Wave

UIA 54

powering sound ideas

20 - 26 April 2026

Hilton Salt Lake City Center, Utah, USA

Co sponsored by IEEE/UFFC

2026 Sponsorship Opportunities

April 20 – 22, 2026
Salt Lake City, UT

Connect with international

Our network of experts from top-tier universities and industry giants, all passionate about shaping the future of ultrasonics come from around the world.. Whether you're a seasoned professional or a rising innovator, UIA54 is your gateway to inspiration, collaboration, and cutting-edge knowledge.

Why UIA?

From industrial advancements to medical marvels, UIA54 offers a dynamic program that bridges research and real-world impact. Engage in thought-provoking sessions on the convergence of ultrasonic technologies, and gain practical insights through a hands-on workshop focused on intellectual property strategy and entrepreneurial growth.

Forefront of ultrasonic technology

Industrial Applications

UIA54 is a vibrant hub of innovation and discovery of new applications.

Medical applications

UIA54 features the latest research on ultrasonic applications.

Meet global leaders, pioneering researches and forward-thinking manufacturers

All are interested in exploring the latest breakthroughs in ultrasonic applications.
